

together!

we can tackle inequality

Disability Discrimination

Are you aware that it is now within the legal scope of an employer's duty to positively discriminate **in favour** of a disabled person?"

Sex Discrimination

There is **no justification** in the eyes of the law to be discriminated against on the grounds of Gender

Sexual Orientation

Bully a person on the basis of **their sexuality** at your peril. You will probably lose your job!

Race Discrimination

A person's diversity is something to be admired and acknowledged **not demonised!**
