

"Why
the CWU
is good
for you"

Peter Hain says "The success and growth of UK industry depends on effective partnerships between business and trade unions which is why three quarters of the FTSE top 100 recognise trade unions.

"The CWU has a fine tradition of working with companies in the Communications sector to promote successful business and sustainable employment benefiting the economy, the industry and their membership."

**Right Honourable Peter Hain,
Secretary of State for Northern Ireland**
