We want to hear from you too – give us your views at: postmasters@cwu.org

The CWU is the largest union representing members working in the telecommunications and postal industries.

In the fast moving world of communications, technological change is inevitable, the CWU recognises and understands this environment and has the experience to help its members deal with all aspects of their working life.

Whatever the issue, the CWU will support you and your colleagues to ensure that your voices are heard on the issues that matter to you in the workplace.
