Harassment Complaints Database: Union Policy

Branches are again reminded of the need to fill in the Harassment Complaints Database (HCD) forms, as illustrated in LTB 450/04.

Please ensure that all representatives have a copy of LTB 450/04 as it contains useful guidance as well as the form itself.

Branches may also find LTB 289/04 useful which contains information on the Harassment Helpline and the Harassment Advice Network as well as the HCD. The completion of the HCD forms is part of our agreement with the Equal Opportunities Commission and is, therefore, CWU policy (the full agreement can be found in LTB 292/04).

The Equal Opportunities Commission has raised concerns with us regarding the completion rate, which we need to address, otherwise we will fall foul of the agreement. Therefore, please ensure that any complaint raised with branch representatives by members that involves possible harassment should be notified to HQ via these forms.

We appreciate that this will add to an already busy work schedule for those representatives that have the responsibility for completing them, but there is no scope for non-compliance.

We must accept that this will become an accepted culture in terms of harassment reporting. The data that will come through to HQ will be vital in enabling us to analyse and identify any obvious patterns where problems exist.

We extend our appreciation to all those branches already complying with the policy and look forward to the co-operation of all branches in this matter.

Any enquiries regarding this paragraph please contact **Michèle Emerson** at CWU Head Office, 150 The Broadway, Wimbledon, London SW19 1RX.

Mandatory Equality & Diversity Training

Branch secretaries are requested to ensure that any person in their branch who has CWU representative responsibilities and has not yet completed their mandatory equality & diversity training are enrolled in the courses that are planned throughout the regions in the forthcoming months.

All reps must do the training – this includes divisional reps, area reps, unit reps and branch officers.

For clarification on dates please contact your regional secretary. The training has been running now for over three years and there are still a substantial number of reps who have not completed the training.

Your co-operation in this matter is greatly appreciated.

Equal Opportunities Department.

OCD Action Flyer

Following on from the successful disability fringe meeting with OCD Action and Typetalk, we are pleased to send branches an OCD Action flyer which gives a brief insight into some of the issues that people with OCD suffer from.

We would be grateful if the flyer could go on to a union notice board.

For further advice please contact the Equality Department.

Friday 18 July 2008 – Sunday 20 July inclusive: Tolpuddle Festival. On February 24th, 1834, six farm labourers from the Dorset village of Tolpuddle were arrested on a charge of taking part in an 'illegal oath' ceremony. In the eyes of their masters, however, the real offence was that they had dared to form a trade union to defend their livelihood. For this they were sentenced to seven years' transportation to the penal colonies of Australia. The sentences provoked an immense outcry, leading to the first great mass trade union protest. The campaign won free pardons and the martyrs' return to England. A historic episode in the struggle for trade unionists' rights in Great Britain.
