

# FOUR PILLARS BULLETIN

**BULLETIN #14**

**Friday 1<sup>st</sup> September 2017**

## **MAKING A DIFFERENCE**

This week the CWU delivered our petition to Royal Mail Headquarters with over 70,000 signatures from members supporting the Union's vision.

The clock has stopped ticking and as we draft this Bulletin no agreement has been reached with the company around the Four Pillars of Security.

The Postal Executive will meet on Tuesday 5<sup>th</sup> September to make a decision regarding next steps.

Your support has been incredible and has made the Union stronger than ever and we would like to thank all of our reps at every level for the work they have done and our members for their continued support and solidarity.

What we can't achieve by talks alone we have to achieve by action, but the CWU will make a difference and achieve an agreement even if it has to be borne out of adversity.

Below is a link with an update on the talks from the DGSP and a feature on us dropping off the Four Pillars petition to Royal Mail HQ.
