

# UNI World Women's Congress Liverpool

14-15 June 2018

## Recommendations based on the Provisional Report of the Resolutions Committee

Motion	Subject	Recommendation	Interventions
No.1	Strategic priorities, 2018-2022	Support	
No.2	Gender equality rule in UNI	Support	
No.3	Mentoring program	Support	
No.4	Powerful women	Support	Suggest a possible intervention on closing the gender pay gap including through policies that support women in work e.g. flexible working, shared parental leave, public investment in high quality childcare.
No.5	Violence against women	Support	
No.6	Future world of work	Support	Suggest a possible intervention on encouraging more women into male dominated technical/engineering roles, where many of the opportunities will be in the new world of work. Also ensuring that work traditionally performed by women is properly valued and rewarded.
