

No. 550/19

20th September 2019

Dear Colleague,

2019 Dispute Relating to Honouring and Deploying the Four Pillars of Security & Pay/Guiding Principles National Agreement between the CWU and RMG

Branches will be aware that the External Mediator, Professor Roy Lewis was provided with the CWU submission pack on Tuesday afternoon.

We know that all Branches and Field Officials are well versed in the specific issues of dispute as are our members.

The gate meetings that are being held are an inspiration to us all and I would like to thank everyone who has made the effort to hold these events.

Please see attached further material that we would ask you to circulate which reiterates the Union's specific demands in this dispute. The poster should be used for noticeboards and we would encourage every unit to ensure this is displayed. The poster can also be handed out at gate meetings and used for photo opportunities and social media.

We are meeting Royal Mail Group at External Mediation today and will report developments as they occur.

Any enquiries in relation to the content of this LTB should be addressed to the DGS(P) Department.

Yours sincerely,

Terry Pullinger
Deputy General Secretary Postal
