

Depot CX - Social Distancing and Other Safety Related Activity

- Teams briefed on Social distancing.
- People in the 'vulnerable' category helped on an individual basis.
- Desks spaced to allow more distance between people.
- CX areas included in any additional cleaning in depots where relevant.
- Shared equipment to be cleaned regularly.
- Active monitoring and 'check in' with teams to ensure wellbeing.
- Daily review of workload and changes made as appropriate.
- Regular comms (posters etc) shared and updated.
