## COMMUNICATIONS WORKSHOPS – TUESDAY 26<sup>th</sup> MAY – 4pm

Colleagues,

Further to LTB 249/20 I am writing to confirm that on Tuesday 26<sup>th</sup> May at 4pm we will hold our first in series of Communications Workshops.

**As advertised the first one is on hosting video calls and livestreaming.** During this session we will run through the basics of going live – platforms, equipment, subject matter etc but for those who want to take things to the next level, we will hear from Gary McQuiggin who is the Head of Video at Novara Media.

Gary is one of the leading experts in using streaming platforms, producing innovative content and engaging audiences.

The session is open to any CWU reps who have an interest in this area of work and we would encourage as many branches as possible to join us.

The Webinar will be held on Zoom and you can join us via the link and password below. **Please do not share these details on social media.**

We look forward to seeing you on the day.

Kind regards
