Dear Colleague

TUC 'ORGANISE 2020' FESTIVAL

Further to LTB 295/20 additional details of the online TUC '**Organise 2020**' Festival are now available and branches and representatives are urged to register for participation on

<https://www.tuc.org.uk/organise-2020>

Organise 2020 is a three-day free festival of ideas in union organising, with one simple aim: to rebuild collective strength by putting organising at the heart of everything we do. This initiative has come directly as a result of the CWU motion on a New Deal for Workers carried at last year's TUC Congress. CWU General Secretary, Dave Ward is speaking at the opening session on Thursday 9th July at 11.00am, which will launch the **Organise 2020** pledge, which commits to greater union co-operation on organising to grow the movement and ensure it is genuinely representative of all working people.

If you have any enquiries regarding this LTB should be addressed to the Head of Recruitment & Organising by email to rellis@cwu.org.

Yours sincerely

RAY ELLIS

Head of Recruitment & Organising
