Do you know about the CWU?

- You know where to go for confidential help when you have a problem at work
- You have someone to speak for you if you feel you are being treated unfairly
- You can regularly meet with others to talk about common issues
- You can work together to solve problems and improve your working conditions
- You can take part in choosing the person, who will speak with managers on your behalf
- You can get help with performance management issues
- You can join the campaign to resolve PBA issues
Change will not come if we wait for some other person or some other time. We are the ones we’ve been waiting for. We are the change that we seek.
