SANTANDER WORKERS

It’s never too early to join the CWU

GET INVOLVED TODAY! WE’RE STRONGER TOGETHER
Workers join the CWU in Santander to become part of the collective voice of the workforce and to protect, promote and improve Terms and Conditions and the working environment by co-operative working with the employer.

AND THE MORE MEMBERS WE HAVE, THE STRONGER YOUR VOICE BECOMES!

We all live in a fast changing world. Let’s work with the company from a position of strength on Health and Safety, Performance Management, Upgrading Skills and Pay and Planning for a prosperous stable future for the Santander operation in the UK.
