

No. 200/2019

29th March 2019

Dear Colleague

POST OFFICE – 2.5% PAY INCREASE FOR ALL MEMBERS FROM 1st APRIL 2019

I would like to advise Branches and our Post Office members that the second instalment of our two year pay agreement will be implemented from 1st April 2019. This means all members will receive a 2.5% pay increase with April salaries. Additionally, the 2.5% pay increase will flow through to all allowances and overtime rates.

The following Joint Statement has been published today:

Post Office and CWU Pay Agreement 2019

We are pleased to confirm that the second instalment of our two year pay agreement has been implemented. This means your basic pay, all allowances together with overtime rates will increase by 2.5% from 1st April. This pay increase will be included in April salaries.

We hope you will be pleased with this positive development.
