We can tackle inequality together!

Disability Discrimination
Are you aware that it is now within the legal scope of an employer’s duty to positively discriminate in favour of a disabled person?

Sexual Orientation
Bully a person on the basis of their sexuality at your peril. You will probably lose your job!

Sex Discrimination
There is no justification in the eyes of the law to be discriminated against on the grounds of Gender.

Race Discrimination
A person’s diversity is something to be admired and acknowledged not demonised!
