Do you have a long term illness?

Do you have an underlying health problem?

Do you have a disability?

If the answer is yes, then your condition may be covered under the Equality Act 2010.

If you have been off sick you may be worried about your attendance record.

Please contact your local union office or check the Equal Opportunities section of the CWU website for your nearest Disability Champion.

For further information visit the CWU Equality website at:
