Dear Colleagues,

CWU Diversity Calendar

We are pleased to confirm that the CWU's Diversity Calendar will be ready for collection from the Equality, Learning and Development Department's Stall during the week of Annual Conference. In addition to the calendars we would be grateful if delegates and visitors attending our stall can take a moment to fill in a brief monitoring questionnaire, primarily focusing on disability and LGBT+ elements.

Lastly, Equality Officers attending Conference will be pleased to note that we have a number of quality metal badges specifically for Equality Officers on the stall. The badges will be free but we would be grateful for a suggested donation of £1 per badge with proceeds being used towards our next trip to assist Refugees in Northern France.

We look forward to meeting you all next week.

Any queries on this LTB should be directed to Fevzi Hussein, Policy Assistant fhussein@cwu.org in the first instance.

Yours sincerely

Trish Lavelle
Assistant Secretary
