Dear Colleagues,

## Communications at Conference

As usual at Conference we will be looking to spread the work of the union as far and wide as possible. We will have a mixture of visual and written updates as well as a special daily Conference Podcast with news and views from across the union.

The hashtag for use on social media will be #CWU19 – delegates should use this on all platforms so we can pick up and share highlights across the week.

We are also streaming the Conference sessions on Sunday and Monday via the link below. It will go live once Conference starts on Sunday morning.

As always, if you have any questions about the work of the department or would like us to assist your Branch with developing your local communications strategy please see me or one of the team at Conference and we will be able to set something up.

Kind regards

Chris Webb  
Head of Communications, Engagement and Media
