

No. 185/20

6th April 2020

Dear Colleagues,

Easter Saturday 11th April 2020 – Non-Service Day

To recognise and reward our members for their commendable efforts in keeping this great public service up and running under extremely difficult circumstances, the CWU believe members deserve a full weekend with their families and a break from the current daily pressure. We equally believe that the public we serve would fully understand and support such an act of appreciation.

Against that backdrop I have today written to the business (letter attached) calling for Easter Saturday to be a non-service day. Branches will be updated immediately once a response is received.

Any enquiries in relation to the content of this LTB should be addressed to the DGS(P) Department.

Yours sincerely,

Terry Pullinger
Deputy General Secretary (Postal)
