

No. 432/2020

27 August 2020

TO: ALL BRANCHES WITH MEMBERS IN BT

Dear Colleague

BT P&FS - Project Spruce

For the information of branches. BT are continuing with their investment of £25M into the operational estate it uses via Project Spruce.

Over the course of the year there will be 31 Hubs and 74 Satellite sites improved by 31st October with a further 8 Hubs and 100 Satellites sites being delivered by 31st March 2021.

The sites emboldened below in light purple will have been completed or will be completed during the course of this financial year.

ARNOLD ROAD TEC	NORTHOLT TE
