Post Office Section of Royal Mail Pension Plan (RMPP) and Royal Mail Statutory Pension Scheme (RMSPS) Communication Update

Dear Colleague,

This joint communication is aimed at colleagues who were employed prior to 01 April 2008 and are members of the Royal Mail Pension Plan – the defined benefit pension scheme which closed on 31 March 2017.

We wanted to bring to your attention some communications you will be receiving shortly from the two schemes.

Forthcoming Communications from RMPP and RMSPS

RMPP: As you will be aware, if you have benefits built up from 01 April 2012 to 31 March 2017, these benefits are held in the RMPP. The Trustee has previously sent communication about the buy in / buy out process with Rothesay Life and will be writing to advise you that the transfer of benefits will be delayed until 2021.

In addition, to allow time to carry out the required checks on all the data and to complete and review the information, the Trustee will confirm that they are unable to send annual benefits statements at the present time. This communication from the RMPP Trustee will be sent on or around the 24 September.

RMSPS: As previously advised, your RMSPS benefits are now administered by Capita on behalf of the Cabinet Office.

Therefore, for the first time, you will receive a benefit statement for your benefits built up before 01 April 2012, which are held in the RMSPS. This communication direct from Capita, should arrive on or around 30 September.
