

No. 488/2020

6th October 2020

TO: ALL BRANCHES

Dear Colleagues,

CWU Statement in Response to Gender Recognition Act (GRA) Reforms

The CWU is releasing this statement in response to the recent Government announcement on the GRA reforms to reaffirm its position of support for our trans members and the wider trans community. The Tory Government has waited two years to declare its position in response to the GRA reform consultation and to announce that it is not doing anything legally to support the trans community is deeply disappointing.

We are absolutely clear in our policies that reform of the GRA is vitally important and the trans community must be supported through this process – the current process remains outdated, invasive and disrespectful to the trans community.

Any queries on this LTB should be directed to Equality&Education@cwu.org

Yours sincerely,

Kate Hudson
